WRITTEN AND DRAWN BY ISAIAH BROWN

DO YOU TWO  
PLAY-DOH  
BRAINED FUCKS  
NOT HEAR ME?

WHERE'S  
I MUTE!

I DIDNT  
STUTTER!

What did  
you call us  
you dipshit  
popsicle  
stick?

Say that  
shit closer  
to my  
face!

IF YOU  
WANT SMOKE  
I'M RIGHT  
HERE!

AN ASS  
WHOOPEN IS  
FREE OVER  
HERE  
"BUDDY"

Jax you  
can calm  
down

You tend to  
get in your  
feelings  
and begin  
to crash  
out

Your friend  
M is right  
over there

He hasn't  
said a  
word since  
Jax beat  
the shit  
out of him

carhartt

Now, The real reason I brought you three worthless pieces of shit together

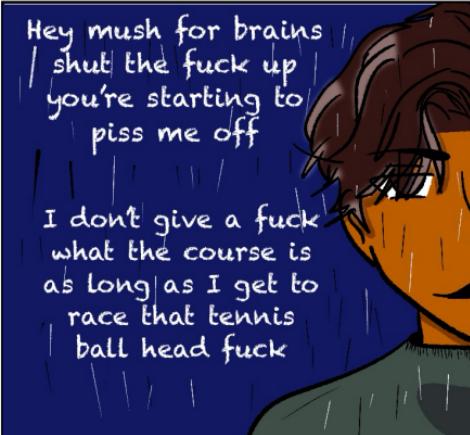

The League gave me, Grayson the Captain of The Busted Nuts a task

You two little shits are going to race Jax and I tag-team style

You think you can fuck with my team and The League wouldn't come for your asses?

The route is from our house to The Crescent Mountain sign

WELCOME TO CRESCENT MOUNTAIN

I just found out about this race but I guess a 2v2 downhill race

They apparently have to win tonight since PJ lost last week

I don't think you guys should race these two!

We left a two-man for this?

I ain't ask what you thought  
Tez

Playing with my family is reason enough for this race

Koku are yall sure about this?

Those Vipers are pushing 645 horsepower!

Line that dumbbell brained fuck up

THE NORTH FACE

Fine,  
can't say  
I didn't  
try and  
ask

Miura help  
us out  
and go to  
the sign as  
a signal  
man

Kira you  
line up  
against  
Jax for the  
start

Koku and  
Grayson  
will be on  
standby  
until  
signaled

Fine but  
you owe  
me for this  
bullshit

This my  
damn off  
day!

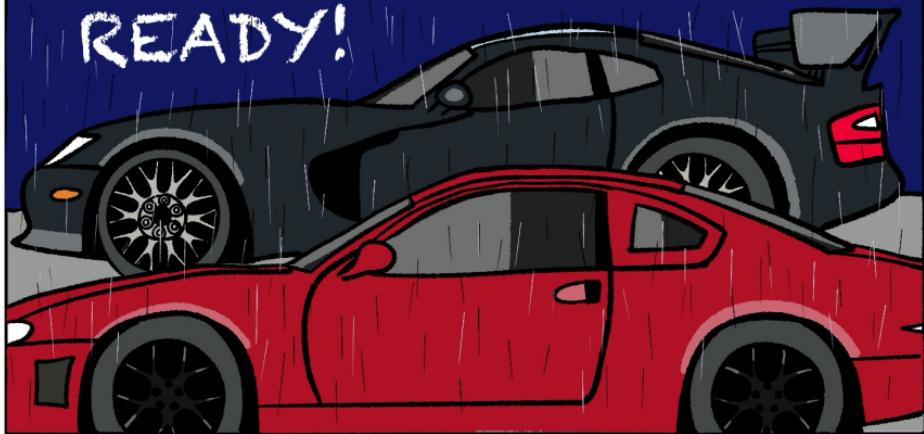

REC

Now we just  
add shots off  
his car

Let me hit record

THANK  
YOU  
KIRA  
FOR  
NOT  
BEING  
USELESS

READY!

SET!

GO!

WOOOO!

HA  
HA  
HA

I'M  
GOING  
TO KILL  
THEM.

I want to  
destroy  
that squash  
brained  
bitch.

We got off  
at the  
same time  
but his car  
is pushing!

If I want to  
beat that 200  
pound  
dumbbell  
bitch then  
I'll have to  
cook  
something  
fast!

IF I DON'T THINK  
OF SOMETHING  
FAST WE'RE  
FUCKED!

Tez you see  
what's  
happening?

These three  
maggots are  
going to die  
because of you

I'll get the  
call to take  
off in a few  
minutes

Then all of  
them are  
going to  
die!

That wack ass  
350Z doesn't  
have enough  
Horsepower to  
keep up

KOKU!

Grayson and  
Jax are the  
real deal  
and you  
shouldn't  
have taken  
the race!

I haven't  
even  
seen you  
race!

How do you  
plan on  
winning  
this?

It'll be a  
blowout!

...

He's lucky it's his  
car and not the  
CTE helping him

Even in the rain  
his car is  
screaming on the  
downhill

FUCK THIS IS PISSING ME OFF!

MY VIPER IS  
CRUSHING THAT WEAK  
PIECE OF SHIT

I can't wait to stomp  
his brains out for this  
weak ass competition

Stupid ass weather

Would've been a  
bigger blowout  
if it wasn't for  
this damn rain

My car is  
slipping  
more than  
usual!

Whatever,  
I'LL take it  
easy on  
the curves

Already  
curb  
stomping  
that dork

I'M JUST  
SALIVATINGING  
AT THE  
MOUTH  
THINKING  
ABOUT  
HARMING  
THOSE TWO!

That bozo so far behind that I can slow down on these corners

I'm so close to pummeling those part-time fucks that my hands are itching

I'LL MAKE  
THOSE  
BITCHES  
BLEED ONCE  
WE WIN!

NOW PUSH  
YOU  
DUMBASS  
VIPER

SKRTTTT

SKRTTTT

WHAT  
THE  
FUCK?

IS THAT DIPSHIT DRIFTING IN THE RAIN?

ALSO  
WHEN  
DID HE  
GET SO  
CLOSE?!

DID I  
SLOW  
DOWN  
THAT  
MUCH SO I  
WOULDN'T  
SLIP!

FUCK!

COME ON YOU  
SEMI-TRUCK  
BODY BUILT  
BITCH!

YOU THINKING  
YOU CAN FUCK  
WITH MY  
FAMILY!

RACE JUST  
STARTED  
BITCH AND IM  
READY TO  
DIE ABOUT  
THIS SHIT!
